A True Blessing

We were struggling to help my 15 year old Dyslexic daughter get her reading skills up to grade level coming from Florida and not having any resources for her learning style. Currently reading on a 3rd grade level, we now have hope to get her reading close to grade level hopefully by the end of the year. Finding Sister Solana is such a blessing!

Patient and Knowledgeable Tutor

Sister Solana is a kind and caring tutor who is very knowledgeable in knowing how to engage my daughter with her. She has set up her program in a way that allowed my daughter to build each time on skills learned and as a result build her confidence. I would highly recommend her because of her knowledge on how to teach reading and her she does such a wonderful job connecting through various techniques that kept my daughter engaged throughout the entire session.

Excellent, warm, kind teacher

Sister Solana is an exceptional and dedicated teacher. She has been kind and engaging for our preschooler working on early reading. It's not easy to get a 5 year old to focus in person, much less over zoom, but somehow she does it week in and week out. We can't say enough good things about how much our child has benefited from her instruction. We feel very lucky to have found her.

Helpful and Patient tutor

Sister Solana showed up on time, had great communication, and was very patient with my child. Unfortunately I can't afford regular tutoring at the time but the one time session was helpful and I would recommend her to anyone seeking tutoring to a child. Very nice, responsive, and professional.

Knowledgeable tutor--great for executive functioning/org skills for ADHD students

Sister Solana is a very patient tutor who uses easy-to-remember tips and tricks that help my son stay organized. In just two weeks, she helped my son with test taking skills, ways to better pay attention in class, and how to get organized for complex homework assignments. We are excited to continue working with her and seeing how her advice will help our son succeed.
